Last updated: August 2025

1. What Are Cookies

As is common with most professional websites, this site uses cookies—tiny files that are downloaded to your computer—to improve your experience. This Cookie Policy outlines what information we collect via cookies, how we use it, and why we may need to store cookies. We also explain how you can prevent these cookies from being stored, although doing so may downgrade or "break" certain elements of the site's functionality.

2. How We Use Cookies

We use cookies for several reasons, described below. In most cases, there are no industry-standard options for disabling cookies without completely disabling the functionality and features they add to the site. It is recommended that you leave all cookies enabled unless you are certain you do not need them, particularly if they are used to deliver a service you use.

3. Disabling Cookies

You can prevent the setting of cookies by adjusting your browser settings. Visit www.allaboutcookies.org to learn how to manage or delete cookies. Please note that disabling cookies may impact the functionality of this and many other websites you visit. Therefore, it is generally recommended not to disable cookies.

4. The Cookies We Set

Email Newsletters Related Cookies

This site may offer newsletter or email subscription services. Cookies may be used to remember if you are already registered and to show relevant notifications for subscribed/unsubscribed users.

Forms Related Cookies

When you submit data via a contact or enquiry form, cookies may be set to remember your user details for future correspondence.

Site Preferences Cookies

To provide you with a more personalized experience, we offer features that remember your preferences. Cookies are required to store these settings so they can be applied when you return to the site.

5. Third-Party Cookies

In some cases, we also use cookies provided by trusted third parties.

This site uses Google Analytics, one of the most widely used web analytics tools, to help us understand how visitors use the site and how we can improve the user experience. These cookies may track how long you spend on the site, which pages you visit, and other anonymous behavioral data.

For more information, please visit the official Google Analytics Cookie Usage page.

Additionally, our site may include links to or embedded content from third-party websites and social media platforms (such as Facebook, X, Instagram, LinkedIn). These third parties may place cookies on your device. We do not control these cookies and encourage you to review their cookie policies separately.

6.Revisit Consent

You can revisit or change your cookie preferences at any time by clicking the “Cookie Settings” button available at the bottom of the site or through your browser's cookie settings.
